My dear Sir

You will do me a
singular favour if you
will allow me to inspect
(and copy if expedient) the
volume of which you
speak concerning the earlier
Tracts temp. Eliz & James I.

I need not say that
I will take the utmost care

of whatever you may en-
trust to me. If I print
anything from it, I shall
not be slow to acknow-
ledge the obligation.

Yours very faithfully
J. Payne Collier
